Foreword

TODAY'S GAMES:

Last week's results opened the fight for third and fourth places right up and the clubs involved cannot afford any unexpected losses. Gosnells kept on their winning way however they only clinched the game in the third quarter when Armadale lapsed in concentration and were inclined to pay too much attention to the man. Armadale's effort was a good one although they must be regretting that bad game against Kenwick.

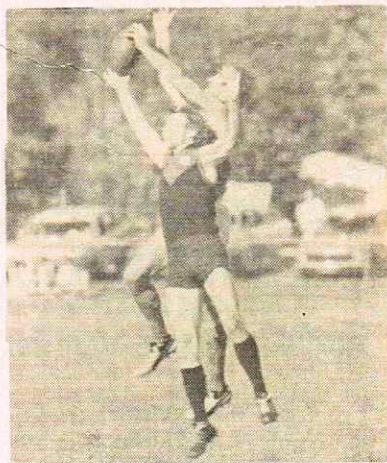

Kelmscott, as expected, were much too strong for Mandurah and took the opportunity to improve their already good percentage. Mandurah again showed they they as do several other clubs require players.

Kenwick again turned it on, this time at the expense of Canning. Kenwick can only blame themselves for their position on the ladder as they have thrown away several games this year when appearing to be in the box seat. Canning must get their players and confidence back if they are to remain in the fight.

Kalamunda are the big improvers and will worry all sides in the remaining fixtures. Thornlie need experienced footballers.

Maddington wrapped second spot up when they crushed Kwinana and at this stage appear Gosnell's main rivals. Kwinana must recruit heavily for 1978.

Kwinana v Kalamunda The Big "K"
Kalamunda.
Mandurah v Armadale Armadale must win.
Canning v Thornlie Canning to return to form.
Gosnells v Kenwick Gosnells too consistent.
Kelmscott v Maddington Kelmscott v 4 points.

Another double, our second for the season, was the result of last weeks games against Thornlie. Although it was great to win, there were a few anxious moments. The result of the reserves was in doubt until half way through the last quarter, as we played badly. The team seemed to have the attitude that being on the full was enough to ensure victory, but few games are won this way.

The league team also started slowly which resulted in us being behind at the first change, but a few harsh words from the coach spurred the team into action, and although we still wasted many opportunities, we still kicked our

highest score for many years. Although it was a very even team effort, excellent games were turned in by Terry Enright, Wayne Barnett, Phil Hayes and Ed Michalczyk. A great effort also by Graeme Gawned kicking eight goals, and by doing so, had Peter Thomas slightly worried, that his record may be in danger.

Today's games against Kwinana give us another chance at a double, but the league team can approach this game with some confidence as they are now teaming together for better than at any earlier stage of the season, but we cannot afford a slow start like last week.

THE BULLDOGS

Last Sunday at Mandurah the Reserves side who were unsettled after a late start, due to a number of Kelmscott players who failed to show up, very nearly snatched victory in the closing minutes from a very determined opposition. Congratulations to all those who took the field and played for our club. In my humble opinion a valiant effort from all players and not unnoticed by the supporters.

The League side had little difficulty in disposing of Mandurah and go on to record a comfortable win. The umpire at times was hard pressed to keep control over the game as players threw themselves into packs regardless.

Best Players. Ray Witt, Kim Barratt, Mark Hildebrandt, Andy McIntosh, John Hevron.

Today's Game: It would be truthfull to say the outcome of today's encounter against Maddington could possibly decide the outcome of the final four for 77. All players well realize they must play a dedicated brand of team football. This will be their biggest test so far this year. Neither side will ask or give quarter, and as we can all expect a close, hard and torrid game will result — As always all visiting supporters etc. are most welcome to join with the Bulldogs after the game.

The 10th July was also the turning point against Thornlie for the 18's and Under. They arrived at the ground with the right attitude and application to play football, yes fellas — attitude and application — that's what we have been missing for the last couple of weeks.

All 18 players went onto the ground with the attitude to win the ball and help their team mates. The ruck duo of G. Potter (one of the best on the ground) and B. Clarke took complete charge of the ball in the air and on the ground. E. Blunter (7 goals), F. Merino (6 goals), N. Mews (5 goals), Gee (3 goals) and R. Chapman with his long accurate kick out from goal were just a few of Kelmscott inspiring players on the day. Final score being Kelmscott 29.17 defeated Thornlie 2.6.

Today we play Gosnells and they are there to be beaten by Kelmscott and we will beat them with the same will to win and the 2 Big 'a's' — ATTITUDE & APPLICATION.

THE LIONS

Highlights of the weekend must be the tremendous success (due to your support) of the Ball and the added attraction of a sexy young chick on the gate, Sunday. A sure winner.

It was another 4 quarters of gruelling football in the reserves game against Kalamunda with a final score difference of 3 goals. Players gave everything they could but more constructive talk on the field is essential if teamwork is to be put into an effective pattern of play, and achieve winning results. Better players Steven Vickers, J. Ballantyne, Trevor Norris.

A total team effort for only the first quarter resulted in a big loss by the league team. Very disappointing and frustrating for Col Whyte as players have the ability and grit to put up a more worthy fight. Lets think positive and be determined to improve each week. Take the Kougars example and get on the 'battlers bandwagon'. Never say die performances given by Gavin Cockram, Rocker Corker and the Whytes.

Come out roaring today at Canning and show what the Lions are made of (track tops look impressive!)

CLUB NOTES: Congratulations to Alex and Lorraine on the arrival of their healthy Lion Cub, all three are doing fine. Something I must say — to any guys I may ask to run round like made ants on a home game for me, this is much appreciated and as a rule is only when I (or Bob) are unable to do the particular task.

SOCIAL: Happy Days are here, don't miss our free Fonzie Social Nite, Friday July 22nd (after toasted sandwiches) Prizes for best 50's outfit.

LION OF THE WEEK: Trevor Sturke — Back on the field after many weeks on the injured list. Has been with the club many seasons, but is still a youngster, a trophy winner last year and a league player. A guy always ready to help as with the 18's team and has become a worthy and intelligent delegate. Wife Daph (beautiful I'm told) assists around the club. Both workers.

HAPPY DAYS.

THE HAWKS

The Mighty Hawks players are to be congratulated on their fine double victory against Armadale last Sunday.

The league registered a seven goal victory in what proved to be a hard tough physical encounter which only gave spirit to our determined and dedicated sporting team, to maintain their undefeated record. Jeff and Ken Reynolds were outstanding in this match as were Jim Kidd and Ray Minton.

The Reserves team bolted in with a magnificent seventeen goal victory against Armadale and look the most impressive combination in the competition this season. Although Kenwick remain leaders on the Reserves ladder their encounter with the Hawks today should prove to be a great highlight and equaliser in this competition. If our boys continue their consistency the Hawks supporters should be pleased with the result. Although last week's victory was a great team effort, Des Rice deserves mention for gaining the most votes for best player on the ground.

The Under 19's put in another fine performance and completed their twelfth match undefeated against Kenwick last Sunday. Congratulations to Mark Taylor on winning the Ampol Award, runners up were Andrew Lewis and Bob Dalton. Much of the success and fitness of these players must surely be due to Ken Keighley in his capacity as special assistant to coach Lex Howden for supervision of training and exercises. Old stalwart Basil Pink has played his part in unselfishly assisting at all games as well this year. Many thanks to the East Fremantle League players, Gerard Nusham, Paul and Peter Feltham for their most welcome visit and advice at the Under 19's players tea last Monday. Encouragement of this nature is much appreciated and goes a long way for the betterment and recognition of the younger Hawks.

Congratulations to Brett Sands on achieving 100 games with Gosnells last Sunday.

SOCIAL: The next most important function is the **GIANT CABARET & \$1,000.00 BONANZA RAFFLE** at Gosnells Civic Centre, Friday August 12. Tickets are \$20 per double which provide supper and refreshments. Tickets are available from any of the committee.

H.H.

THE TIGERS

The only consolation gained from last Sunday's encounter with Kenwick is that it's highly unlikely that we will have to meet them in the finals. A talented side, and one that is definitely unlucky to occupy a low position on the ladder, Kenwick continue to remain our "bogey" side and verified that fact with a crushing victory over the Tigers last week. We struggled from the first bounce to the final siren and had it not been for giant efforts from Terry Freemantle, Paul Polsen and Gary Fenner would have been in for greater trouble.

Bob Barton returned to the league side after being side lined for a long spell with an ankle injury, and despite obviously needing the run was involved in several good passages of play and is sure to improve on that effort.

John Vlahov is now fit enough to at least act in the capacity of team runner and it is expected this top player will be available for selection within the next month.

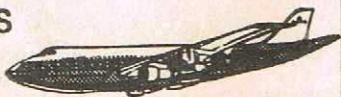

At this stage it seems that full back Brian Mangini will miss the remainder of the season. What was first thought to be a minor fracture of the wrist has turned out to be a severe break. Brian does not expect to have his arm removed from plaster for another four weeks.

On a more pleasant note, our Seconds continued their greatly improved form with a good showing against the top Kenwick side. Though winning by a large margin, it was nevertheless the "smallest" winning margin recorded by Kenwick seconds this season, and our boys should take heart from this effort and notch up a few more wins before the season concludes.

Today's game against Thornlie should not be treated as an "easy" one by either of our sides. The four premiership points are vital if we are to remain premiership contenders. Perhaps some of our out of form players can capitalise on the opportunity of meeting the bottom side and regain lost confidence. Surely quite a few of our league players must give deep thought to their performances over the last few weeks — we are certainly an awful lot better than recent weeks would indicate!

DEMONS DIGEST

1977 . . . 65 YEARS YOUNG

Today we travel to Mandurah, home of the "Seasiders". A win in the league game is imperative, with our neighbours breathing down our necks with a healthier percentage. A win for our Reserves is overdue for moral boosting.

At Gwynne Park last week, the league side matched Gosnells up to half-time, and had an even money chance of knocking them off. However, the third quarter cost them the game when they started to give Gosnells that yard start. Although they came back hard in the final quarter, the Hawks had too many aces and held them off. Best players for the Demons were Geoff Byrne, Peter (Perry) Wilkes and Allan Narkle. The mark of the day went to Peter "Porno" Smith.

The Reserves were soundly beaten by a good side, but is not to be taken as an excuse, just the simple truth reason. The Demons player in this team to win the best player award was Reg Turnor.

The Under 18's beat Maddington by some six goals; with good teamwork, and the Under 16's also beat Maddington, this time by some twenty-five goals or so. Great fellas, great!

Congratulations to Charlie Tenardi, on winning the best player award in the recent interstate game. Keep that pre-season prediction of mine working son!

This column now reaches a former player of the club, Gary Bradshaw, now living in Ellwood, Victoria. If you read this Gary, best wishes from your old club. Good to hear you still follow us, even that far away.

TALK OF BULL

IMPORTANT: Mick O'Halloran has stressed the fact that all raffle books were due back to him by today. Mick is hoping to finalise all the details regarding this raffle prior to the drawing of the prizes on the 29th July, at our Annual Ball and your co-operation in this matter would be appreciated. If you are still in possession of your book, and any money from the sale of the tickets, could you please return it to Mick as early as possible. Leaving it to the night of the draw is too late.

With regard to the Annual Ball, tickets are available through Ross May, so support your club and organise a table. All are welcome and the more the merrier.

On the playing field, the Mighty Bulls recorded comfortable wins in both the League and Seconds against Kwinana last week.

In the Seconds the boys played three quarters of really good football, keeping opposition under pressure and in the process kicking 19 goals. Unfortunately they tired a little in the final quarter but nevertheless it was a fine win.

Among the best players were Alan Bank, Mark Rollack and Lindsay Kell.

Our big win in the league was the result of only two quarters of good football. These being the 1st and 4th quarters in which we kicked 10 and 9 goals respectively. For the remainder of the game (i.e. 2nd and 3rd quarters) it was a very even tussle with Kwinana matching it with us on the field and on the scoreboard.

"Rock" Butler made a great return to the league side after injury and was a dominant player whether running on the ball, resting in the forward pocket or when shifted to full-back. Baring further injury his presence in the side should give opposition sides a few headaches in future games.

Leon Henry played well on his wing, while Laurie Maggs proved a worthy substitute for Jim Butler at full-forward by kicking six goals. Among the other better players were Noel Knight, Colin Walker, John Duthie and Steve Jancey.

In closing, the Club extends a big welcome to a future "Bulls" player, in Trevor Heath. We all look forward to seeing him perform in the league side in the forthcoming games.
